Rex Geveden, NASA experts to hold Gravity Probe-B briefing

Marshall Center Deputy Director Rex Geveden and other NASA experts will discuss the Gravity Probe-B mission at noon CST Friday at NASA Headquarters in Washington, D.C. NASA TV will carry the briefing live, which will cover the origins, experimental methods, technology, mission operations, and science of Gravity Probe-B. The 18-month mission is scheduled for launch April 17 at 12:09 p.m. CST from Vandenberg Air Force Base, Calif.

SHARP mentors needed for 2004 summer session

The Marshall Center's Education Programs Department is seeking volunteers to work with students during the 2004 session of the NASA Summer High School Apprenticeship Program. The program offers high school students an opportunity to participate in an eight-week science and engineering apprenticeship. Marshall volunteers, including researchers, scientists and other engineering professionals, serve as mentors to the students. For details, or to volunteer, call Jennifer Simmons at 961-7544.
